2. Journal #5: Describe a First

“My Relationship of Firsts”

He texted me back

This was a first

He asked me out

This was a first

He took me to dinner

This was a first

He bought me flowers

This was a first

He gave me a necklace

This was a first

He said, “I love you.”

This was a first

He gave his heart to me

This was a first

He is my first love

And he is my last.

2. (continued) Inspiration List: "Depression"

It hits you like a secret killer
Stringing from your insides and out.
You want to break free
But your hands and feet are chained.
They tell you to cheer up
But all you can think about is to be more sad.
It twists your thoughts on everything...
Even life.
Everyone treats you different
And you can't do anything about it.
You want to escape
But it's too hard.
The secret killer awaits
With handcuffs and chains.
